Candidate Statement

Kevin L. King

I am interested in serving on the California Special District's Board of Directors to more significantly contribute to the vitally important work done by CSDA. With more than two decades worth of experience in leadership roles for special districts, I certainly appreciate the significance of all special districts and believe my background and perspectives would be an asset as a member of the CSDA Board.

Upon graduating from California Polytechnic State University, San Luis Obispo, I began my career in public service at a small irrigation district in western Stanislaus County. My career has taken me on a path since that time with stops at Oakdale Irrigation District, Solano Irrigation District and currently as the General Manager of Reclamation District No. 1000 in Sacramento. The advocacy, resources, and support provided by CSDA each step of the way has been tremendous, not only to me personally, but to the communities I served.

The challenges faced by special districts escalate, seemingly, on a daily basis. Funding challenges, legislative challenges, staffing challenges, modernization challenges...the list is endless, yet the need for our services never wanes. I am an enthusiastic, solution-oriented and creative problem solver ready to take on these challenges. I believe my unique background, communication style, and leadership would serve all special districts well.

I would be honored to receive your vote for the CSDA Board of Directors – Sierra Network.

Warm regards,

Kevin L. King

NOELLE MATTOCK

CSDA Board of Directors, incumbent

Dear Board,

I am writing to express my desire to continue serving you and the Sierra Region on the California Special Districts Association (CSDA) Board of Directors. I have had the pleasure of serving on the board for the past 14 years where I have held various leadership positions including President. My passion is advocacy and am grateful to be able to serve as the Chair of the Legislative committee for the past few years. During my time on the board we have grown in every aspect. We now represent over 2000 special districts of all sizes and types and enjoy a retention rate of over 90%. Our educational opportunities and conferences have more than doubled and our advocacy team has grown from 1 person to a powerhouse team that rivals the League of Cities and the California State Association of Counties. We are now helping to lead a national coalition representing special districts and are on the verge of gaining recognition and access to funding at the federal level. We have deployed regional representatives to better connect with you and your district.

I am passionate about local government and advocating on all the great work we do providing the essential services that make the lives of our communities better. I began a career in government working for the State. I was able to take my knowledge and skills to the private sector working for an international engineering firm while obtaining my Master's degree in Public Policy and Administration. For the past 10 years I have worked for two cities in the Sacramento area as a Government Relations Representative specializing in water, wastewater, stormwater, contracting, governance and more.

I would be honored to receive your vote to continue the great work CSDA is doing to help all Special Districts.

Respectfully,
Noelle Mattock

CSDA Board Candidate Statement
Sierra Network, Seat A
Nicholas Schneider CSDM

I seek your support for election based on my two decades of water management experience and understandings gained while interfacing with the changing landscape of resource management. CSDA's work is of vital importance to special districts and those they serve, offering resources while giving a collectively strengthened voice to challenges faced. Working to build a resilient public water system utilizing rural, small district resources which recently experienced the Mosquito Fire damaging our watershed and infrastructure has lent valuable perspective in meeting the evolving realities of today and identifying the needs of tomorrow.

As a CSDA Board member, my working goal would be to guide the direction impacting public works legislation, shaping in support of special districts. Currently, I am actively involved in legislative advocacy to elevate and ensure these positive outcomes. The experience has illustrated the challenges impacting the common interests of California's special districts. Committee work and collaboration have been top priorities. I currently serve on several statewide legislative and regulatory task forces. These include the CSDA Legislative and Fiscal Committees, the Association of California Water Agency's (ACWA's) State Legislative Committee, the Federal Affairs Committee and the Agricultural Committee, the CMUA Legislative Committee as well as the State Department of Water Resources Conservation Legislation working group. Former, appointments include the SB 200 SAFER Water Fund Advisory Board by the California State Water Resource Control Board.

It would be an honor to serve on The CSDA Board of Directors lending my knowledge and experience in the pursuit of making valuable recommendations based on the needs of the moment. Serving communities and maintaining a viable resilient public water supply has been at the center of my efforts, and the Board offers an opportunity to extend that mission to a statewide level. Thank you in advance for your consideration.
