Legislative Updates:

The California Special District Association (CSDA) provides legislative advocacy that benefits special districts. Their 2024 Mid-Year Legislative Report is attached which provides information on the measures on which CSDA is engaged. Additionally, the California Supreme Court removed Initiative 1935 from the November 2024 statewide ballot. This measure proposed to limit the ability of the state and local governments to enact, modify, or expand taxes, assessments, fees, and property-related charges. In April 2023, the OVPSD Board adopted a Resolution to join a coalition with an “oppose” position on Initiative 21-0042A1 (#1935).
