

## ORDINANCE 2024-02

### AN ORDINANCE OF THE OLYMPIC VALLEY PUBLIC SERVICE DISTRICT ADOPTING A FIRE AND LIFE SAFETY COST RECOVERY SCHEDULE

#### BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE OLYMPIC VALLEY PUBLIC SERVICE DISTRICT AS FOLLOWS:

1. The Board of Directors adopts a Fire and Life Safety Cost Recovery schedule for services and costs of enforcement of regulations as set forth on Exhibit A attached hereto and incorporated herein by reference.
2. Section 107.2 "Schedule of Fees" of the 2022 Fire Code, adopted by Ordinance 2022-03, states "*Fees for permits, administrative services, cost recovery and capital improvement impacts shall be in accordance with the fee schedule established by the District.*" Section 107.7 "Cost Recovery Fees" of the 2022 Fire Code, states "*A district board may charge a fee to cover the cost of any service which the district provides or the cost of enforcing any regulation for which the fee is charged. (Health and Safety Code 13916). The fee shall not exceed the actual cost of responding to the scene and emergency operations at the incident.*"
3. The Olympic Valley Fire Department of Placer County is a division of the Olympic Valley Public Service District (hereafter "District") organized and existing pursuant to Health and Safety Code Sections 13800 et. seq. Section 13916 of the Health and Safety Code permits a district to charge a fee to cover the cost of any service of which the district provides or the cost of enforcing any regulation for which the fee is charged, provided that no fee exceeds the cost reasonably borne by the district in providing the service.
4. The Board of Directors finds that the fees and charges of providing Fire Prevention Services, as set forth on Exhibit A attached hereto and incorporated herein by reference, are fairly allocated to the person or entity to be charged for the services to be provided, and that the fees and charges do not exceed the reasonable costs to the District for providing such services.
5. The geographic limits for collection of the Fire and Life Safety Cost Recovery schedule are hereby established as all territory within the boundaries of the Olympic Valley Fire Department of Placer County, as shown on Exhibit B.
6. The Board of Directors shall consider adjusting the fees identified in Exhibit "A" annually to reflect the actual rate of the individual providing and/or overseeing the service. Approval by the Board of Directors shall be by Ordinance, adopted at a regularly scheduled meeting of the Board prior to enactment of the increase after proper notice and public comment. Nothing herein contained shall be construed to limit the authority of the Board of Directors to amend, supplement, or change this ordinance or any regulations applicable thereto from time to time.
7. To the extent that the terms and provisions of this ordinance may be inconsistent or in conflict with the terms and conditions of any prior District ordinances, resolutions, rules, regulations or policies governing the same subject, the terms of this ordinance shall prevail with respect to the subject matter thereof and such inconsistent and conflicting provisions of prior ordinances, resolutions, rules, regulations and policies are hereby repealed.

8. That if any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. The Board of Directors hereby declares that it would have passed this Ordinance, and each section, subsection, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.
9. Nothing in this Ordinance hereby adopted shall be construed to affect any suit or proceeding pending in any court, or any rights acquired, or liability incurred, or any other cause or causes of action acquired or existing, under any act or Ordinance hereby repealed as cited in Section IV of this Ordinance; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.
10. This Ordinance shall take effect October 1, 2024, until it is amended, suspended, and/or rescinded by the Board of Directors. The Board Secretary is directed to post and publish this Ordinance as required by law.

EXHIBIT A: Fire and Life Safety Cost Recovery Schedule  
EXHIBIT B: Boundary Map

Ordinance 2024-02 was introduced, and the reading was waived, at a regular meeting of the Board of Directors of the Olympic Valley Public Service District on July 30, 2024.
