ENGINEERING REPORT

DATE: March 25, 2025

TO: District Board Members

FROM: Dave Hunt, District Engineer

SUBJECT: Engineering Report – Information Only

BACKGROUND: The discussion section below provides information from the District Engineer on current projects and the department's activities that are not the subject of a separate report. This report has been prepared to provide new information and recent progress only.

DISCUSSION: Meetings

The District Engineer participated in the following meetings in the last month:

- OVPSD Board Meeting
- Finance Committee Meeting
- Monthly Planning Meeting – Staff
- District Engineer – General Manager Meetings
- District Engineer - Assistant Engineer Meetings
- DWR CalSIP Stream Gage Grant Meetings – UES, Staff
- OVMWC Consolidation Kickoff Meeting – GM, CHW
- FY2026 Budget Prep Meetings – Several, Staff
- OVPSD/OVMWC Emergency Intertie Project Meetings - Several, Longo, Staff
- 305 HVAC Replacement Project Commissioning Agent Interviews – AA-ME, DE
- Sewer Master Plan Capital Project Workshop – DOWL, Staff
- Carville SFR Lots Subdivision DA Extension – GM, DE, FC

Capital Projects – Active

OVPD/Mutual Water Company Emergency Intertie Project

- Contractor has completed installation of all improvements
- Startup of the PRV site was successful
- Startup of the BPS site was completed on January 30.
- Currently troubleshooting low pump output with contractor.

Sewer System Master Plan

- Work on the SSMP is on-going
- Consultant is focused on CCTV review and Capital Replacement Plan
- Staff is focused on 100-yr CRP prep using VueWorks Budget Forecasting and developing future capital projects list and cost estimates.

Administration Building HVAC Replacement Project

- AA-ME submitted Design Development (60% level) documents, which included a design meeting with District staff.
- Bid documents are expected in mid-April.
- AA-ME and staff interviewed three (3) consultants to provide 3rd party commissioning services. Expected to execute PSA at March 25 Board meeting.
- The project is expected to bid in April-May 2025 with construction extending from June-October 2025.
- The project is currently on schedule. AA-ME continues to refine the construction cost estimate as design proceeds.

Groundwater Management

Washesu Creek Stream Gaging Improvement Project

- The District received word from DWR that our grant application under the CalSIP grant program was approved for \$208,000.
- Staff is working with DWR to prepare scope of work and budget estimate.
- Staff is working with our hydrologic consultant, UES, to prepare scope of work for planning, installation, and O&M of new stream gage equipment for the duration of the grant.
- Board to pass resolution accepting grant from DWR.
- Project expected to begin in April 2025 and run through March 2027.

Engineering Department Activities – On-Going

- CASGEM groundwater monitoring
- Residential plan reviews and contractor/owner coordination for new and remodel construction
- GIS database updates and Vueworks implementation

DATE PREPARED: March 17, 2025
