

OLYMPIC VALLEY PUBLIC SERVICE DISTRICT

ADOPTING AND AMENDING THE 2025 FIRE CODE SUMMARY OF ORDINANCE 2025-03

Ordinance 2025-03 was duly passed by the Olympic Valley Public Service District Board of Directors at a regular meeting held October 28, 2025 by the following vote on roll call: Ayes – Director Cox, Hudson, Hover-Smoot, Koffler, Smolen; Noes – 0; Absent – 0; Abstain – 0.

The Ordinance established revisions to the District's Administrative Code, Chapter 5 (Fire Prevention Code) which amend and adopt the 2025 California Fire Code. The revisions to the Fire Prevention Code are mostly technical in nature, changing how the Code references the California Fire and Building Codes as well as the NFPA Standards. The regulations create a higher safety standard required for climatic, geologic, and topographical differences in our District.

Ordinance 2025-03 was adopted following an introduction and reading of the Ordinance on September 30, 2025 and a reading and noticed public hearing on October 28, 2025. The revisions are effective once approved by the Placer County Board of Supervisors and filed with the Department of Housing and Community Development, and are expected to take effect January 1, 2026.
