Owner/Property Information

Owner Name: _____ Date: _____
 Owner Mailing Address: _____
 Owner Phone: _____ Owner Email: _____
 Property Address: _____
 APN: _____ Building Permit #: _____
 Project Description: _____

I do hereby declare that the statements contained herein and, in the documents, maps, plans and specifications attached and submitted herewith are true and correct. I also agree to an inspection at the time of completion of construction and anytime thereafter to verify the number of fixture units. I understand the Olympic Valley Fire Department has no responsibility or liability for the installation of piping connecting the LPG tank to the regulator. I agree to be bound by the current policy, procedures and regulations applicable to the issuance of Sewer and/or Water Service Permit(s) and to the service thereafter and authorize the District to cancel the permit(s) in the event I or my agent violates any of the provisions contained therein.

PLAN REVIEW APPLICATION

530-583-4692
305 Olympic Valley Rd
PO Box 2026
Olympic Valley, CA 96146
www.ovpsd.org

Review the statements below. Check the boxes once the statements have been reviewed.

Plan review turnaround is approximately 7-10 business days from the date the District receives the completed application and plans.

If any of the requirements are missing, plans will not be approved and will be subject to resubmittals and resubmittal fees. All resubmittals trigger a new 7-10 business day turnaround.

Check the requirements to ensure all are met prior to submitting.

- A complete set of the construction plans stamped and signed by the design professional(s).
- A complete set of the construction plans must be submitted electronically.
- All required notes have been placed verbatim on the construction plans, if applicable.
- The Placer County issued project permit number. If the Placer County permit issuance checklist has already been issued, include it with the submittal.
- Read and understand Olympic Valley's locally amended Fire Code, Water, and Sewer code, if applicable.

Please note, once the plans are reviewed/approved AND any cost recovery/mitigation fees have been paid, OVPSD/OVFD will sign off on the workflow in Placer County's permitting system and add any fire flags/holds/notes that will be required before the County's project final inspection.

The approval of this review will allow for permit issuance from the County if their requirements have been met.

I acknowledge that I have read and understand the plan review requirements set forth by Olympic Valley Public Service District and Fire Department. I further understand that failure to comply with these requirements will result in the rejection of the plans/project and will necessitate resubmittal, including applicable resubmittal fees. By signing below, I confirm that this submittal meets all stated requirements.
