

OLYMPIC VALLEY PUBLIC SERVICE DISTRICT BOARD REPORT

SUBJECT:	Granite Chief “A” Line Sewer Replacement Project – Third Amendment to the Sewer Line Replacement and Dedication Agreement	EXHIBIT:	F-4, 7 Pages
AUTHOR:	Dave Hunt, District Engineer	MEETING DATE:	January 27, 2026

RECOMMENDED ACTION: Approve of Resolution 2026-01 authorizing execution of the Third Amendment to the Sewer Line Replacement and Dedication Agreement for the Granite Chief “A” Line Sewer Replacement Project.

DISCUSSION: In July 2024, the District entered into a Dedication Agreement (Agreement) with several property owners (Applicants) regarding the replacement of the Granite Chief “A” Line sewer. The Agreement outlines the terms and conditions under which the District will accept dedication of the new sewer assets and defines the rights and responsibilities of both the District and Applicant related to the District’s provision of sewer service to the requesting parcels.

The District has executed two amendments to the Agreement to allow the Applicants additional time to complete the Improvements and the dedication process. The First Amendment extended the term of the Agreement to August 1, 2025, and the Second Amendment extended the term to December 31, 2025.

Additional time is needed to fulfill the dedication requirements in the Agreement. The District is working with the applicants to secure the required easements, warranty bonds, lien releases, record drawings, and other miscellaneous items identified in the Agreement.

The District and the Applicants now wish to enter into a Third Amendment to extend the term of the Agreement. This includes an extension of time to complete dedication of the Improvements by December 31, 2026.

FISCAL/RESOURCE IMPACTS: There are no fiscal impacts associated with executing the Agreement. The project is privately financed, and the property owners will reimburse the District for all costs associated with the project including preparation of the Agreement, Amendments, plan review and coordination, inspection, and preparation of offer of dedication documents.
