

**OLYMPIC VALLEY
PUBLIC SERVICE DISTRICT
BOARD REPORT**

SUBJECT: 1810 Material Bays Wall Replacement Project – Notice of Acceptance of Completion

EXHIBIT: F-6, 3 Pages

AUTHOR: Dave Hunt, District Engineer

MEETING DATE: January 27, 2026

RECOMMENDED ACTION: Approve the Notice of Acceptance of Completion for the 1810 Material Bays Wall Replacement Project and authorize filing of the notice with the Placer County Recorder's Office.

DISCUSSION: The District registered the 1810 Material Bays Wall Replacement Project with the Department of Industrial Relations (DIR) in conformance with the California Labor Code Section 1773.3 prior to the start of construction. Registering a project with the DIR is required on all public works construction projects that exceed \$25,000 and maintenance projects that exceed \$15,000.

Filing a notice of completion is necessary to close out a project filed with the DIR. Filing a notice of completion and recording the notice with the Placer County Recorder's Office applies to contractor's lien law and sets in motion specific time frames for sub-contractors and suppliers to file a lien if they have not been paid. Under SB 854, public agencies are required to file a Notice of Completion (NOC) for each prevailing wage project. DIR's 18 month statute of limitation for prevailing wage enforcement does not start until the public agency has filed and served its NOC. Failing to file the notice gives the DIR an open ended period to investigate claims; filing the NOC limits the time for filing to 18 months, therefore it is in the District's best interest to do so.

Staff reports the following project as complete:

1810 Material Bays Wall Replacement Project
Contractor – GLA Morris - Final Contract Price \$40,050.95

FISCAL/RESOURCE IMPACTS: The District is exempt from filing fees; therefore, there is no direct fiscal impact associated with the NOC.
