AUTHOR: Jessica Asher, Board Secretary

MEETING DATE: January 27, 2026

RECOMMENDED ACTION: This report is informational only; no action is requested from the Board.

DISCUSSION: Special District Risk Management Authority (SDRMA) Credit Incentive Points
District Administrative Staff have audited the available Credit incentive Points from SDRMA and estimate earning 12 of the 15 points through staff and the Board's attendance at workshops, and recognition such as the District of Distinction. We will be unable to earn all points due to having Workers' Compensation and Property/Liability claims. Each point is equal to 1% discount on the District's premium.

Form 700 Statement of Economic Interests

All Board members are required to complete an annual Statement of Economic Interests for filing with Placer County and the State of California Fair Political Practices Commission. Instructions for the 2025/2026 form were distributed to all Board Members and staff in early January. We encourage completing the form online. Once reviewed, the forms are submitted to Placer County by April 1st and will be forwarded to the State of California.
