NOTICE OF ACCEPTANCE OF COMPLETION 135,000 GALLON ZONE 3 TANK COATING PROJECT

DATE: September 26, 2023

TO: District Board Members

FROM: Dave Hunt, District Engineer

SUBJECT: Filing of Notice of Acceptance of Completion

BACKGROUND: The District registered the 135,000 Gallon Zone 3 Tank Coating Project with the Department of Industrial Relations (DIR) in conformance with the California Labor Code Section 1773.3 on March 28, 2023. Registering a project with the DIR is required on all public works projects that exceed \$25,000 in value.

DISCUSSION: Filing of a notice of completion is necessary to close out a project filed with the DIR. Filing a notice of completion and recording the notice with the Placer County Recorder's Office applies to contractor's lien law and sets in motion specific time frame for sub-contractors and suppliers to file a lien if they have not been paid. Under SB 854, public agencies are required to file a Notice of Completion (NOC) for each prevailing wage project. DIR's 18-month statute of limitation for prevailing wage enforcement does not start until the public agency has filed and served its NOC. Failing to file the notice gives the DIR an open-ended period to investigate claims; filing the NOC limits the time for filing to 18 months, therefore it is in the District's best interests to do so.

Staff reports the following project as completed:
135,000 Gallon Zone 3 Tank Coating Project
Contractor – Olympus & Associates, Inc. – Final Contract Price \$251,060.00

ALTERNATIVES: 1. The filing of a Notice of Completion is a requirement with no reasonable alternative.

FISCAL/RESOURCE IMPACTS: The District is exempt from filing fees; therefore, there is no direct fiscal impact associated with the NOC.

RECOMMENDATION: Staff has prepared a Notice of Acceptance of Completion for the above-named project and recommends the Board approve by motion the filing of the notice with the Placer County Recorder's Office.
