DISCUSSION: Certificate of Achievement for Excellence in Financial Reporting Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Certificate of Achievement (COA) for Excellence in Financial Reporting Award to Olympic Valley Public Service District for its annual comprehensive financial report for the fiscal year ended June 30, 2025. To be awarded a COA, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements. The COA is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

Holiday Events

The District will host a holiday party for the Board, staff, and their partners on December 4th. Santa also contacted the Fire Department for their help spreading holiday cheer again this year on Friday, December 18th. We will share event information via a flyer at the Post Office, social media, and our e-news distribution list. Please share this information with Olympic Valley families.

Toy and Coat Drive

The District and Olympic Valley Fire Department are serving as the Olympic Valley drop-off location for Truckee Community Christmas's Toy & Coat Drive through December 6. Community members are invited to drop off gently used or new coats and new, boxed toys in the marked donation boxes outside the Community Room downstairs at 305 Olympic Valley Road. All donations support local families in need. Participation is optional, and online donations can also be made using the QR code on flyers posted at the District office. Please consider sharing this information with your neighbors to help spread the word!
